À propos de Internet Explorer
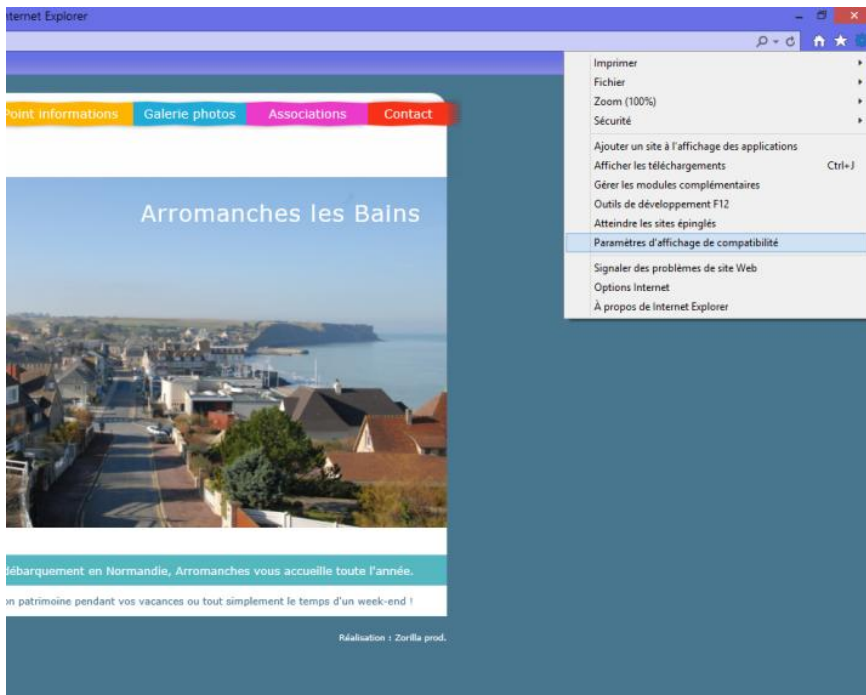

2/ Click on "**Compatibility View Settings**" in the dropdown menu
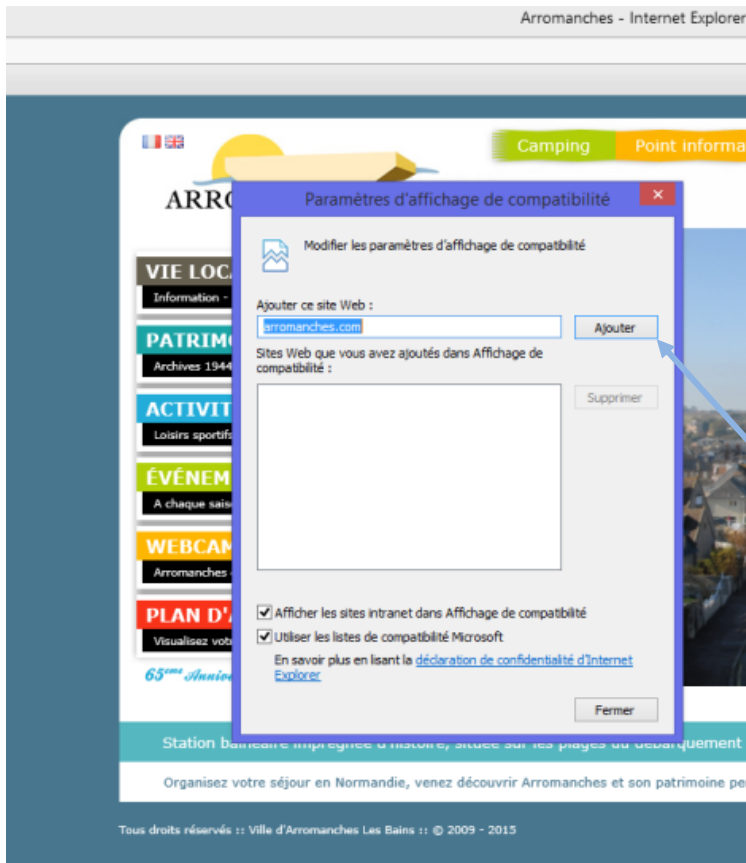

3/ A new window will open.

The arromanches.com website address will already have been entered.
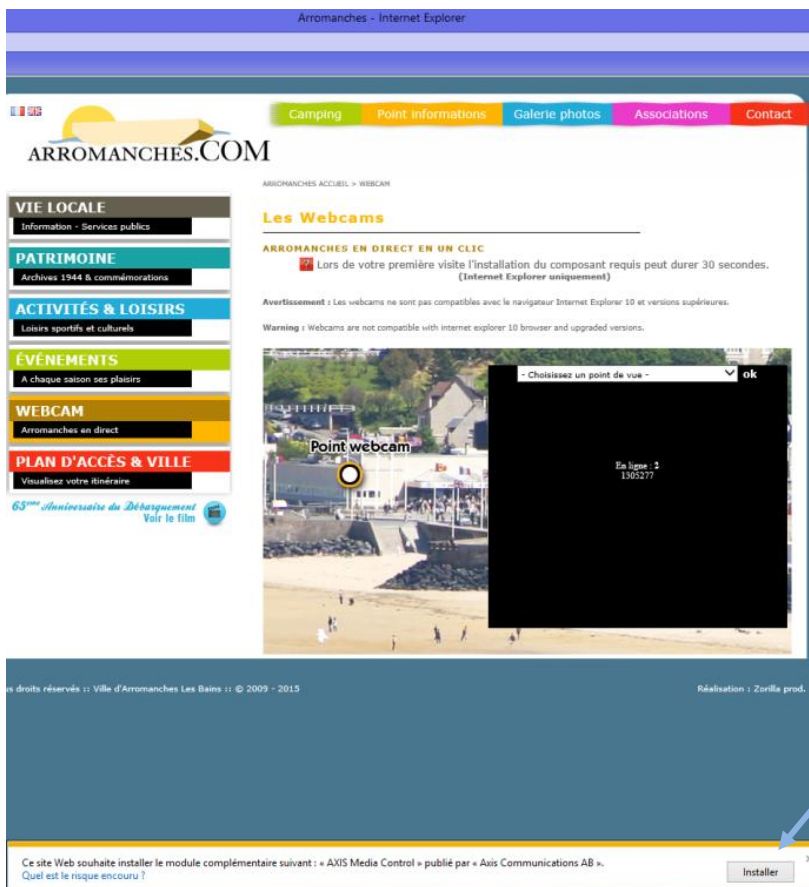

Click on "**Add**".
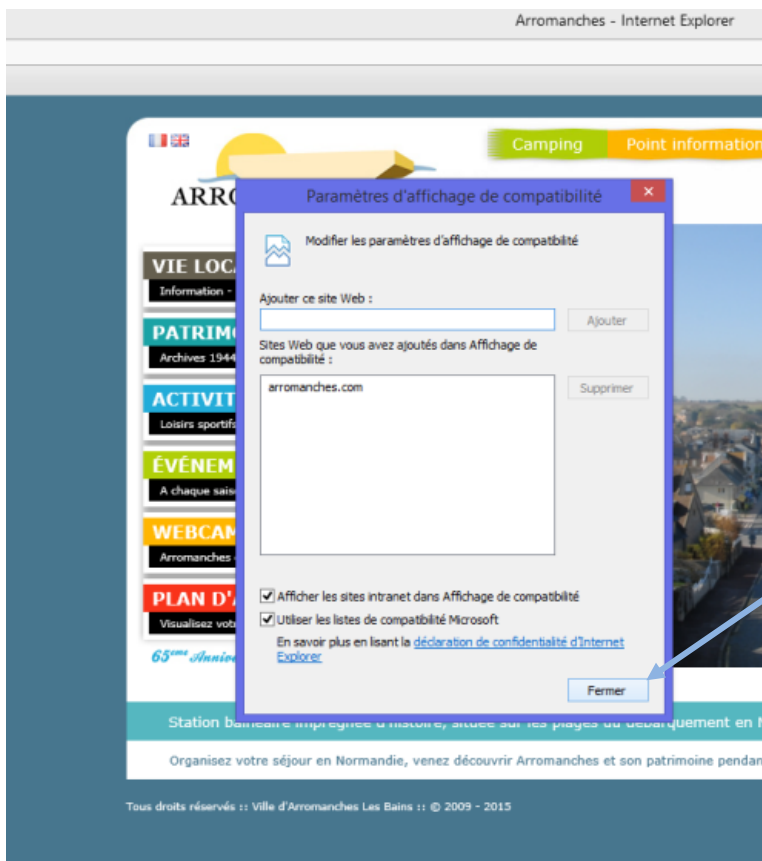

4/ The site will appear in the Compatibility View list.

Click on "**Close**" at the bottom of the window.

5/ Select one of the locations in the list.

6/ A message will appear at the bottom of the page asking you to install the "AXIS Media Control" plugin.

Click on the "**Install**" button, then wait a few seconds.
